

Public Planning Charrette

The City of West Columbia is undertaking the Gateway Overlay District (GOLD) Redevelopment Plan. The purpose of the plan is to investigate the GOLD, assess its redevelopment potential, and to provide recommendations that best leverage redevelopment opportunities to improve the community's overall economic and environmental health. As part of a planning charrette for the project, two public meetings will be held as follows:

Public Information Meeting

When: Wednesday, Feb 15, 2012
5:00 PM - 7:00 PM

Where: New Brookland Room
West Columbia City Hall
200 N. 12th Street

What: Your opportunity to assist in shaping the future of the GOLD study area.

This public meeting will have a drop-in format with project information available for review. Members of the planning team will be available to answer questions and receive comments throughout the evening. Participants will have the opportunity to provide their comments both verbally and in writing.

Summary Presentation

When: Thursday, Feb 16, 2012
6:00 PM

Where: New Brookland Room
West Columbia City Hall
200 N. 12th Street

What: Presentation of major findings from the charrette process.

This public meeting will be a formal presentation of the major findings that have been recorded throughout the charrette process. These findings will be based on field research, preliminary analysis, and feedback received from the public and key stakeholder groups.

**Please plan to participate
in these two important meetings!**
