

History Comes Alive on the Riverwalk!

Friday, January 14th, the City of Cayce, the City of West Columbia, and the River Alliance will unveil the Riverwalk Milestones. The milestones originally provided a guide for travelers on South Carolina roads in the early 1800s. Two hundred years later, they will serve as markers for runners and walkers at quarter-mile intervals along the scenic Riverwalk.

Join us Friday, January 14th at 10am at the West Columbia Amphitheatre at 120 Alexander Circle, Columbia, SC, for refreshments and a first-hand look at history!

The markers were donated
by the State Museum.
